CAIPT 2015

International Conference on Computer Applications and Information Processing Technology

Yangon, Myanmar

June 23 ~ 24, 2015

CALL FOR PAPERS

General Chair
Seok Cheon Park (Gachon Univ., Korea)
Phone Kaung(Yangon Univ., Myanmar)

Local Arrangement Chair
Kyaw Naing (Yangon Univ., Myanmar)

Steering Chair
Im Yeong Lee (Soonchunhyang Univ., Korea)

Program Chair
Kyung Oh Lee (Sunmoon Univ., Korea)

Organization Chair
Jin Kwak (Aju Univ., Korea)

Steering Committee
Hsiao-Hwa Chen (National Cheng Kung University, Taiwan)
Mario Freire (University of Beira Interior, Portugal)
Sherali Zeadally (University of the District of Columbia, USA)
Isaac Woungang (Ryerson Univ., Canada)
Daniel C. Doolan (Robert Gordon University, UK)
Christian Becker (University of Mannheim, Germany)

Honorary Chairs
Doo-Soon Park (Soonchunhyang University, Korea)

Hosted by Yangon University

Organized by KIPS

International Conference on Computer Applications and Information Processing Technology (CAIPT 2015) will be held in Yangon, Myanmar on June 23~24, 2015 - hosted by the Yangon University and organized by Korean Information Processing Society. CAIPT 2015 is an international conference for exchange of experience and knowledge among researchers and industrial experts concerned with IT and applications, which aims to promote academic exchanges and international cooperation. The conference will reflect the state-of-the-art of scientific discovery and implementation in all relevant aspects of IT and advanced applications, including theories, modeling, and practical applications. CAIPT 2015 aims at stimulating the Asian-Korea and specifically Myanmar-Korea collaboration in R&D. For more information, please visit http://www.caipt.org. Original papers are solicited in subjects including, but not limited to, the following:

1. Wireless Network Technology - Wireless PAN/LAN/WAN - Mobile Networks (NGN/BcN) - Wireless Communication Technology - Protocols and Standards - Cognitive Radio Networks - Ad Hoc, Sensor and Mesh Networking - Optical Networks and Systems - QoS issues in Wireless Networks - Beyond 3G and 4G Networks	**2. Network and Information Security** - Mobile and Wireless Security - Trust and Privacy Concerns - DDOS Attacks, DNS Spoofing - Digital Right Management - Trust Modeling and Protocol Design - Multimedia Security(VoIP, IPTV, Smart Media) - Cloud and Distributed Application Security - Security, Privacy and Authentication in Mobile Systems
3. Intelligent Computing System - Embedded Software Systems - Context Aware Systems - Cloud Computing - Grid Computing - Green Computing - Software and Middleware - Intelligent Sensor Networks - Business Intelligence and Multimedia Technology	**4. Policy and Business Strategies** - Strategies and Policy Development - National Spectrum Management - Policy Issues in IT Application - IT Convergence Strategies - Laws and Policy in IT - Market Enterprise Analysis in IT - Network/Infrastructure Development - Management Issues

Important dates

Full manuscripts submission due	**March 20, 2015**
Notification of acceptance	**April 15, 2015**
Camera-ready paper due	**May 1, 2015**
Registration due	**May 1, 2015**
Conference planning date on	**June 23~24, 2015**

Information for authors

Prospective authors should submit full papers in English, with 1~4 pages (Extended Abstract or Full Paper). Accepted forms for submission are soft copy in MS Word, PDF or PS file formats. Authors should submit papers electronically only using the on-line submission interface available at http://www.caipt.org. Accepted and presented papers will be published in the conference proceedings. Submissions should include abstract, key words, the e-mail address of the corresponding author, and must not exceed 4 pages, including tables and figures, according to the IEEE. Submissions imply the willingness of at least one author to register, attend the conference, and present the paper. The conference proceedings of CAIPT 2014 will be published in English by KIPS and the extended version of selected papers (about 40) are to be published in the special issue of the Scopus registered journal.
